### **BANK OF MALDIVES TO SUPPORT UPGRADE OF MALDIVES NATIONAL MUSEUM**

Bank of Maldives has announced its support to the Maldives National Museum as part of the series of 12 high impact monthly community initiatives to celebrate the Bank's 40th anniversary in November.

Through this initiative, BML will support the care, preservation, and display of the National Museum's collection. This will include the upgrading of its conservation and preservation laboratory as well as the development of interactive content to encourage public engagement and attract visitors to the Museum.

BML's In-charge and Acting MD, Aishath Noordeen commented, "The National Museum is an important institution that preserves our national history for our future generations. This is our ninth event as part of our 40th anniversary celebration and we are proud to continue supporting projects that will enrich our communities."

The 40th Anniversary monthly initiatives announced from November 2021 till date:

- June: BML Fehi Project
- May: Online Fundraising platform Kindly
- April: Support to upgrade Home for People with Special Needs
- March: Small Grants
- February: Housing Grant
- January: BML Startup Grant
- December: Upgrading the National Library
- November: BML Scholarship Fund
