PRESS RELEASE

BML Mobile Banking App receives great response from customers

The new BML Mobile Banking App introduced by Bank of Maldives has received a great response from customers, and continues to gain in popularity.

The App has now been downloaded by more than 21,000 customers over the past week, and has been rated at an average of 4.7 stars on Google Play and Apple App Store.

Using the App, BML customers can easily check their account details and make transfers and payments within a matter of seconds. In addition, customers can also find the location of the nearest branch or ATM and contact our Customer Service.

Commenting the positive reception, BML Retail Banking Director Mr. Mohamed Shareef said, "We are extremely pleased with the positive response to the BML Mobile Banking App. Our aim in launching this was to make life easier for our customers, and from the feedback we're receiving from our customers, we have indeed made banking more convenient and accessible than ever before."

All current internet banking customers are automatically registered to use the BML Mobile Banking App and can log in with their existing username and password. The BML Mobile Banking App can be downloaded for free from the [Google Play](#) and [Apple App Store](#).
