BML TO SUPPORT RUN TO RAISE AWARENESS ABOUT BREAST CANCER

Bank of Maldives has announced that it will support this year's "Pink Ribbon Run-Walk" to raise awareness about breast cancer. The event is being organised by the Cancer Society of Maldives (CSM) and will start at 4pm tomorrow, 28th October, at Hulhumale' Central Park.

Around 250 runners are expected to participate in tomorrow's event. A number of the Bank's staff will participate in the run and will also volunteer to assist with the event's logistics.

BML CEO and Managing Director Andrew Healy commented "We are always pleased to support the Cancer Society of Maldives. Tomorrow's run is a good way of engaging people and raising awareness about the importance of being properly informed and of knowing the steps to take to prevent cancer. We wish the very best of luck to everyone taking part."

Earlier this year, BML partnered with CSM to hold free cancer screenings for the Bank's staff and their spouses. Information sessions were also held for staff on the importance of regular examinations to ensure early detection.

More details regarding CSM and this year's Pink Ribbon Run-Walk can be obtained at www.cancer.org.mv.
