## **BML EXPANDS PRESENCE IN HULHUMALE' WITH NEW ATM**

Bank of Maldives has continued to scale up its presence in Hulhumale' with the introduction of a new Self Service Banking ATM located at Tree Top Hospital.

In addition to the usual cash withdrawal facilities, the new ATM will support local individuals and businesses to deposit and transfer money on a 24/7 basis. It is part of the Bank's MVR 300 million investment program to expand banking services and financial inclusion across the country.

BML Deputy CEO and Director of Operations, Mohamed Shareef commented "We are delighted to support the community here in Hulhumale' with this new Self Service Banking ATM. Its location is particularly fitting given that we supported the financing of Tree Top Hospital. Hulhumale' is continuing to develop rapidly as a residential, commercial and industrial hub in Maldives, and we will be opening more ATMs and a new Business Centre here very soon to increase our support for local families and businesses."

With a nationwide network of 34 branches across all 20 atolls, 33 Self Service Banking Centres, 92 ATMs, 4,900 Point of Sale merchants, 205 agents and a full suite of Digital Banking services, Bank of Maldives is committed to supporting individuals, businesses and communities across Maldives.
