BML EXPANDS SERVICES IN RAA ATOLL WITH NEW ATM CENTRE AT ALIFUSHI

Bank of Maldives has continued to scale up its investment in Raa atoll with the introduction of a new Self Service Banking ATM Centre at Alifushi. In addition to the usual cash withdrawal facilities, the new Centre will support local individuals and businesses to deposit and transfer money on a 24/7 basis.

With this establishment, the atoll now has banking services through two branches, two Self-Service Banking Centres and cash agents in each inhabited island in the atoll. Last year, deposit services were also introduced through the BML cash agent in Hulhudhuffaaruu which allows customers to deposit cash up to MVR10,000 per day and make credit card and loan repayments.

Commenting on the investment, BML Deputy CEO Aishath Noordeen said “We are delighted to launch this state-of-the-art Self-Service Banking ATM in Alifushi. It marks another important step in our ongoing investment program to benefit individuals, businesses and communities right across the country.”

With a nationwide network of 37 branches across all 20 atolls, 46 Self Service Banking Centres, 108 ATMs, 5,400 Point of Sale merchants, 277 agents and a full suite of Digital Banking services, Bank of Maldives is committed to supporting individuals, businesses and communities across Maldives.
